What's in a Name.

Everything is in the name when it comes to Witch Hazel salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from witch hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. City Drug Store.

Among other things that won't bear the light are shadows.
